Latest Technology and Equipment Expected at Gear Expo 2005

Why should you exhibit in GEAR EXPO 2005? Are you involved in any part of the gear manufacturing process? Do you want to reach many high-quality buyers at a modest cost? Are you interested in introducing new products and technology?

If so, Detroit, Michigan, is the place to be Oct. 16-19, 2005, to profit from the international audience that attends "The Worldwide Gear Industry Event." Your colleagues, competitors, customers and prospects will be there – so make the best marketing decision you can for 2005. Send in your exhibit contract now!

"GEAR EXPO brings together all facets of the gear industry from around the globe," says Joe T. Franklin Jr., president of the American Gear Manufacturers Association. "That's why GEAR EXPO is 'the' trade show for equipment manufacturers, gear manufacturers and suppliers to the gear industry. It is also the best networking opportunity of the year. Connect with customers and potential customers who are looking for the newest in technology, equipment and services."

Exhibiting companies include the full range of manufacturing capabilities. Manufacturers of gear blanks, bearings, machine tools, companies that provide components, as well as suppliers of critical

processes such as heat treating, coating and shot peening exhibit. Gear manufacturers include those making the full range from small to large as well as special purpose.

GEAR EXPO visitors are CEOs, CFOs, senior engineers and purchasing agents for major manufacturing companies around the world – the people who play vital roles in the buying process: evaluating, recommending and purchasing products, equipment and services.
